*95 years of hope for a better tomorrow...*

## *An Anniversary Message from the President and Chief Executive Officer*

---

Dear Friends,

This year, the Society of St. Vincent de Paul celebrates 95 years serving the marginalized in our area. But SVdP has always been about more than just providing assistance — it's about restoring hope, dignity, and faith in the lives of those we serve — one person or family at a time.

In 2024, we witnessed firsthand, on countless occasions, how one act of kindness can create a ripple effect of transformation. A single meal for a hungry family, a rent payment that prevents eviction, job training and placement that lifts a young man out of generational poverty or simply listening with compassion to someone in their moment of despair — these moments change lives. And when one life is uplifted, the entire community is strengthened.

The **POWER OF ONE** is undeniable. One volunteer answering the call to serve. One donor making a difference in program and service availability. One struggling neighbor finding hope through a home visit. As such, we have focused on this theme for our 2024 Annual Impact Report. As St. Teresa of Calcutta so beautifully said, “Never worry about numbers. Help one person at a time, and always start with the person nearest you.”

Your support has made an extraordinary impact this year — **and for the last 95 years** — touching tens of thousands of lives in our area. Thank you for your continued commitment in support of our mission to make this community a better place for everyone. But most especially, thank you for being **THE ONE** who makes a difference.

With heartfelt gratitude,

# Feeding the Hungry Every Day

***“In our dining hall,  
volunteers are the heart of  
every meal we serve.  
While their hands  
prepare the food,  
it’s their compassion that truly  
nourishes our neighbors.”***

The SVdP Hunger Center Programs exist to fight hunger head-on; serving children, seniors, and families from every walk of life. The cornerstone of this mission is our daily dining hall meal service, where we provide hot, nutritious meals to anyone who comes - no questions asked. For many of our neighbors, it may be the only meal they receive that day. Our Hunger Center is more than just a place to get food; it is a place of dignity, connection, and hope, where every guest is welcomed with open arms and a home-cooked meal.

## SVdP Meals Served

None of this life-changing work would be possible without the dedication of our volunteers. From preparing and serving meals joyfully, SVdP volunteers are the engine that powers every aspect of our daily operation. They give not only their time and talents, but their hearts, bringing humanity and kindness to every interaction.

# FIRST IMPRESSIONS

*Empowering  
Futures with  
Dignity*

At St. Vincent de Paul, we believe that confidence is often the key that unlocks potential. Our First Impressions program is about more than just clothing—it's about empowering individuals with dignity, hope, and a renewed sense of self.

By providing coaching and professional, work-appropriate attire to those preparing to re-enter the workforce, we help restore the self-assurance needed to move forward.

This program works hand-in-hand with our Ready2Work initiative and those of our community partners, ensuring participants not only have the skills, but also the mindset and confidence to succeed.

Whether it's a sharp interview suit, a pair of polished shoes, or a well-fitted shirt, each item represents a tangible step toward self-sufficiency. Thanks to the generosity of donors and volunteers, First Impressions and our CARES Clothing Room is changing lives—one outfit, one interview, one new beginning at a time.

# Sharing the Gift of Warmth

## THE EMPWR SLEEPING BAG COAT

**Worn as a

**Rolls into a

**"This is such a blessing  
and such a  
warm, heavy coat.  
I really needed this."**

**-Mary  
after receiving  
her coat**

**The EMPWR Sleeping Bag Coat  
modeled by its inventor,  
Veronika Scott  
Founder and CEO  
Empowerment Plan**

This winter, the Society of St. Vincent de Paul, through our vital partnership with *Empowerment Plan*, distributed 42 life-saving convertible sleeping bag coats to our neighbors experiencing homelessness. With shelter beds scarce and affordable housing out of reach for so many in our area, these coats were a lifeline.

These remarkable coats, which transform into insulated sleeping bags, provided not only warmth but reassurance to individuals and families facing the harsh realities of winter without shelter. Each one delivered a powerful message: you are seen, you are valued, and you are not alone.

From the mother keeping her child warm on a freezing night, to the veteran trying to get back on his feet, your support reached them when they needed it most.

**Thank you for your generosity  
and for being the heart behind  
this mission. Your compassion  
continues to be the  
warmth in the cold for  
our unhoused neighbors.**

## **Home Visits:** ***The Heart of Our Mission***

Our most personal and powerful Vincentian tradition of service is that of the home visit. Conducted by a team of trained SVdP volunteers, these visits are never about judgment; they're about personal connection, care and stabilizing a family in crisis.

During the home visit, volunteers listen, pray, offer guidance, and determine what programs and services are needed to stabilize the family and set them on a path to becoming self-sufficient. Neighbors are also connected to other wraparound community resources and program services.

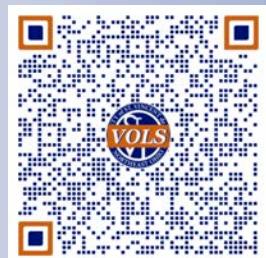

Regardless of race, religion, or background, we never stand above those we serve—we sit beside them, walk with them, and remind them they are not alone. Our goal is not just to ease today's burden, but to offer comfort, support and the possibility of a better tomorrow.

# Meet Eric...

Ready to Lead...

Ready to Grow...

**Ready2Work**

**Sometimes, all it takes is one hand-up, one opportunity, one mentor and one second chance to change a life.**

One opportunity can change the trajectory of a life. That's the foundation of our Ready2Work program and we take that simple premise to heart with every single candidate we enroll.

- **One person who gains the skills and confidence to succeed in the workforce.**
- **One job that brings dignity, stability, and purpose.**
- **One family that finds hope and a path out of poverty.**
- **One community made stronger because of it.**

The Ready2Work program is more than just job training - it's about helping people rediscover their worth and take real steps toward stability and purpose. Our curriculum also includes life skills, financial literacy and career assessment. Each participant is matched with a trained mentor who

provides one-on-one support throughout their journey, taking that first step toward a better future. And it works.

***Eric is living proof.***

Two years ago, Eric came to us through our collaborating partner, Flying High, at the very beginning of his recovery. After years of homelessness, addiction, and felony convictions, he didn't believe a different life was possible. But Ready2Work gave him the tools, support, and encouragement to try.

Eric started in our thrift store, learning job skills, showing up every day, and pushing himself to grow. His transformation - from program participant to SVdP leader - is a testament to the power of education and mentorship. Today, he's our Assistant Store Manager, leading with character and confidence.

Together, through the power of one second chance we are building a stronger, more hopeful community.

**“This job has pushed me out of my comfort zone - and that's where growth happens. And it's taught me the value of serving others.”**

Rossi***

A lifelong educator, parish volunteer, and hospital auxiliary leader, Luann Rossi brings decades of service to St. Vincent de Paul. She is a retired math teacher and a committed community leader who has spent more than 46 years volunteering with the auxiliary at St. Joseph's Hospital. She is a member of the Blessed Sacrament SVdP Conference and is very active at her Church.

"It's hard to say no to Lou (Lepro) when he asked me to help," she laughs, "but even harder to say no to those facing hunger and poverty. I'm honored to serve in this mission of providing charity and service to those in need."

# **The SVdP Thrift & Furniture Store**

***So much more than a second-hand store!***

At the St. Vincent de Paul Thrift & Furniture Store, The Power of One is alive in every donation dropped off and every purchase made. One gently used coat can keep a neighbor warm. One couch can turn an empty apartment into a home for a family escaping domestic violence. One shopping trip helps fund vital programs like SVdP Ready2Work, homelessness prevention, or daily hot meals for seniors on a fixed income.

Our store is more than just a place to find a bargain—it's a social enterprise with a mission. Whether you donate or shop, you are creating critical local jobs, supporting area families in need, and providing essential resources for individuals working to rebuild their lives.

It only takes one person to make a difference. Your donated items or purchases help transform lives, preserve dignity, and strengthen our community from the ground up. This year, we invite you to shop with purpose and give with heart!

## Donor Spotlight

**“I try to share financial support where I volunteer because I can see that people are truly being helped.**

In Matthew 25:35, Jesus said that by serving the least of his brethren, they were serving Him. This reminds me that caring for others is an act of compassion and kindness towards Jesus.

Providing financial and volunteer support to SVdP simply helps me live out my faith and do what God has called me to do.”

## *Nourishing Hope: Celebrating Our Food Donors*

At the Society of St. Vincent de Paul, food donations are more than ingredients — they are acts of kindness that nourish hope for thousands of individuals and families in need. These generous gifts fuel our daily meal service, helping us fight hunger with dignity and compassion.

We are blessed with many caring food donors — individuals, local grocers, restaurants, and community partners — whose contributions make a daily difference. Every item shared helps us feed more neighbors and reminds them they are not forgotten.

McCal's Giant Eagle on Elm Road holds a special place in our hearts. Their ongoing donations — made with such generosity and heart — helped us provide over 29,600 meals in 2024. Their steadfast support is a true blessing, and we are deeply grateful for their partnership in this mission of service.

If you or your business would like to be part of this life-changing mission, we welcome you with open arms and will help create a plan that fits your goals — whether through hosting a food drive, donating close-dated or surplus product, or other meaningful support. Together, we can ensure no neighbor goes hungry.
